EQUITY RESIDENTIAL, ET AL. :

ORDER

Counsel have requested substantial additional time for discovery and briefing in connection with the partial motions for summary judgment (docket entry no. 106 and 108) and the cross-motion for partial summary judgment (docket entry no. 121). The request is reasonable, but will necessarily delay resolution of motions that appear pending on the court's docket. Accordingly, for administrative purposes, the motions are **Denied without prejudice**. They will be automatically renewed by the filing of the defendants' reply brief on November 19, 2010, when all motions will be ripe for consideration.

SO ORDERED this 27th day of May, 2010.
